Above & Beyond: A Virtual Celebration of Local Foster Youth & 25 Years of B:E
Tuesday, May 18 at 6pm

When kids are put in foster care, the deck is stacked against them. And when they age out of the foster care system, many kids have nowhere to go and wind up on the streets. All too often, they become homeless or wind up in jail.

But with your and Beyond Emancipation's support, young people beat the odds, every day! Together with B:E, you can give local kids a hand up, not Just a handout.

On May 18, we will come together for *Above & Beyond: A Virtual Celebration of Local Foster Youth and 25 Years of B:E*. It takes a village to raise a kid. Now, more than ever, **can you be a part of that village?**

Every year up to 300 young people exit foster care here in Alameda County. That's hundreds of teens entering adulthood without family support.

**As a product of the foster care system,
I personally know how essential your support is.**
